Insurance

The State of Tennessee self-insures for automobile liability, property, and general liability insurance through a risk management fund. The state assesses the University of Tennessee System Administration (UTSA) for participation in this fund. The UTSA's risk management office allocates this expense to the campuses and institutes. For UT Knoxville, this expense posts to three separate cost centers. For detailed information on what is covered by this insurance, visit the risk management web site:

Institutional Memberships

UT Knoxville pays annual membership dues to higher education organizations for the campus on a central cost center. Examples of these memberships include: Association of Public and Land Grant Universities (APLU); Southern Association of College and University Business Officers (SACUBO); Association of American Colleges and Universities (AAC&U); Council for Higher Education Accreditation (CHEA).
